Venice, June 17. Several Merchant-Ships of different Nations which are come in from the Levant, have brought Advice, that the greateſt Part of the Veteran Troops which were garriſoned in the Morea, were gone from thence for Hungary, ſo that the Garriſons were become very weak, except thoſe of Napoli di Romania, Modon, and ſome others. Letters from Corfu of the 21ſt of laſt Month tell us, that the Venetian Fleet was not yet ſailed from thence; that according to the freſheſt Advices the Turkiſh Fleet was at the Dardanels, but that a Squadron had been detached for Alexandria, there to take on board 5000 Turks of the Ægyptian Troops and tranſport them to Theſſalonica, whence they are to proceed to Hungary. Four of the Pope's Gallies and two of the Duke of Tuſcany's are arrived at Otranto, and wait there to be joined by the Malteſe Squadron. On the 13th Inſtant 38 Tranſports ſailed from hence for Corfu, with Recruits for the Griſon and Italian Regiments, and with large Stores of Proviſions. By a Veſſel which is arrived from Dalmatia, we have an Account, that the Proveditore General Mocenigo was at Sebenico on the 2d Inſtant, and was to go the next Day to Spalatro, to give Orders for the March of 3000 Men which were to be imbarked for ſome Enterprize that was kept ſecret.

Madrid, June 20. 'Tis adviſed from Balſain, that the King of Spain is pretty well recovered, not having had any Fits of Ague for ſeveral Days paſt; and that he intends to remove on the 25th Inſtant to the Eſcurial, for ſome Weeks. By Letters from Barcelona of the 12th Inſtant we learn, that on the 8th the Horſe and Dragoons were begun to be imbarked, and on the 12th were moſt of them on board, the Infantry ſtill lying in Quarters in the Neighbourhood, in order to imbark laſt; and that it was believed the Fleet would be ready to put to Sea on the 16th or 17th. The Squadron which ſailed from Cadiz the 26th of laſt Month to reinforce the Fleet at Barcelona, has been detained by contrary Winds on the Coaſt of Alicant.

Genoa, June 21. Two Malteſe Ships of War which arrived here from Barcelona three Days ago, bring Advice, that about the 7th Inſtant the Intendant Sig. Patino received Advice by an Expreſs from the Court of Madrid, that the Squadron from Cadiz, deſigned for Barcelona, had put to Sea; whereupon he immediately gave Directions for imbarking the Forces at Barcelona. We have ſince received Advice, by the Way of Leghorn, that on the 30th paſt the Cadiz Squadron was forced by Streſs of Weather to put into Cartagena. We have Letters from Cagliari in Sardinia of the 12th Inſtant, which ſay a conſiderable Number of Tranſports was arrived there, to take on board 12 Battallions and 14 Squadrons; and that 'tis not deſigned the Spaniſh Fleet ſhall touch at Sardinia.

Hague, July 1. In order to adjuſt the Points of the Barrier-Treaty which are yet in diſpute, his Excellency the Earl of Cadogan aſſiſted with the Deputies of the Council of State on the 29th paſt, at the Examination of the Accompts concerning the Sums negotiated in the Netherlands, under the Adminiſtration of the Maritime Potentates; in which a conſiderable Progreſs has been made, and that whole Affair will be finiſhed in a few Days. The Marqueſs de Prié having deſired that Baron Heems ſhould likewiſe be preſent at the ſettling the ſaid Accompts, the States General have readily agreed to it; and he will aſſiſt in the next Conference, which is to be held on the 4th Inſtant. M. Dalwig Miniſter here from the Landgrave of Heſſe-Caſſel, has received Orders from his Maſter to go to the Court of Great Britain, and deſigns to ſet out for England on the 5th Inſtant. This Morning the States of the Province of Holland were re-aſſembled. The Marqueſs Beretti Landi, the Spaniſh Ambaſſadour, had uſed all Methods to diſſuade, and even to deter them by repeated Threats of confiſcating all the Effects in Spain belonging to the Dutch, from entring into the Treaty of Alliance for the Preſervation of the general Peace and Tranquility of Europe. Notwithſtanding which they agreed unanimouſly in a Reſolution to ſign that Treaty: Which Reſolution is to be delivered to Morrow or on Monday next to the Aſſembly of the States General; where the Deputies of moſt of the Provinces are ready to conſent to this Republick's joining in the ſaid Alliance.
